Re: *Amendola v. Bristol-Myers Squibb Company*, 07 Civ. 6088 (DLC)

Dear Judge Cote:

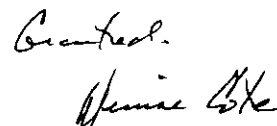

We represent the Defendant Bristol-Myers Squibb Company ("BMS") in the above-captioned case, and we write, with Plaintiff's consent and pursuant to your Individual Practice Rule 2(B), to request an expansion of page limitations for Defendant's memorandum of law in opposition to Plaintiff's Motion for FLSA §216(b) Notice, which is due February 6, 2008. Specifically, due to the nature of the claims, which raise issues that are questions of law for the Court, we request that the Court permit Defendant to submit an opposition brief of no more than 35 pages. Plaintiff consents to the request, but only provided that Plaintiff be permitted to submit a reply brief of no more than 20 pages (to which Defendant also consents).

We are available at Your Honor's convenience to address any questions that may arise.

Respectfully submitted,

  
Joshua F. Alloy
